Plot

235 m2

EXCLUSIVE SALE OF URBAN PLOT in the centre of Fuengirola, frontage to two streets. Surface area of 235m² with 23 metres depth. RETURN ON INVESTMENT 37.43% Economic study carried out by our team of architects. URBAN LAND Plot classified in PGOU as urban land, type NT Núcleo Tradicional. It is allowed to build ground floor, + 2 floors, + attic floor (under roof), resulting in a total of 4 floors high. TWO FACADES The plot has two opposite facades, one facing the central Marbella street, which links the Plaza de España (Town Hall) to the Plaza de la Constitución (Church). The other façade has road access. This condition allows a better distribution of the building's spaces with a greater number of exterior openings, a better entry of natural light and cross ventilation, contributing to create higher quality housing. EXCEPTIONAL LOCATION The privileged location of this plot allows you to move in a few minutes to all the points of interest of Fuengirola, without the need of a vehicle. Being in the heart of the town, you will have everything you need at your fingertips, including access to train and bus stations. The beaches are very close by. You can walk to the beach and enjoy the sea in a matter of minutes. WALKING DISTANCES Plaza de España. Town Hall: 160m (2 minutes) Constitution Square.
