Charming Finca in a unique and spectacular location! Near the Pereilas River and past an old mill, is "Coín's paradise" The place is to enjoy the quiet and tranquility, where only the birds and the runoff of the river water can be heard. With its large bedrooms with en-suite bathrooms and independent annexes, you could do various activities if that were your dream, or just enjoy the peace and tranquility. Access is somewhat adventurous but without particular difficulties, and just a couple of minutes from civilization. You have to see to understand and appreciate! No AFO but fully registered.
