Investment

256 m2

For sale are two separate commercial premises with independent registry properties next to the well known Estanco Alonso in Camino de Coín. These are two huge premises with a total of 256 square metres. Many possibilities, currently it is as a large warehouse in the lower part of the building, and the underground premises as a garage. Unbeatable location, close to all amenities and next to a very busy street, do not hesitate to contact us to visit this property.
