146 m2

Ideal for investors *3 new flats *second seafront *approximately 50m² each *air-conditioning *double glazing *flooded with natural light *shower tray One of the flats is already finished and the other two are still under construction, with delivery scheduled for late 2024. Ideally located on the seafront, close to the port of Fuengirola, these flats can be rented out for a profit: either long-term or short-term. Don't miss this opportunity to acquire three brand new flats, on the second line of the seafront, in a sought-after area. Call to arrange a viewing.
