This is a great opportunity to buy a plot of 285M2 with a semidetached house of 130M2, five bedrooms in total close to all amenities in the middle of Estepona, outside of the old town, walking distance to schools. The house can do with some renovation and would make this a great project for a younger family. If you like what you see get in contact and I am sure we can tell you more or we can go and have a look together. The house has at this moment two different parts, it could become one big house or stay two smaller houses and a garage or huerto, it is located in a great location very central in Estepona, that makes this unit UNIQUE.
